Aty Coffee Table

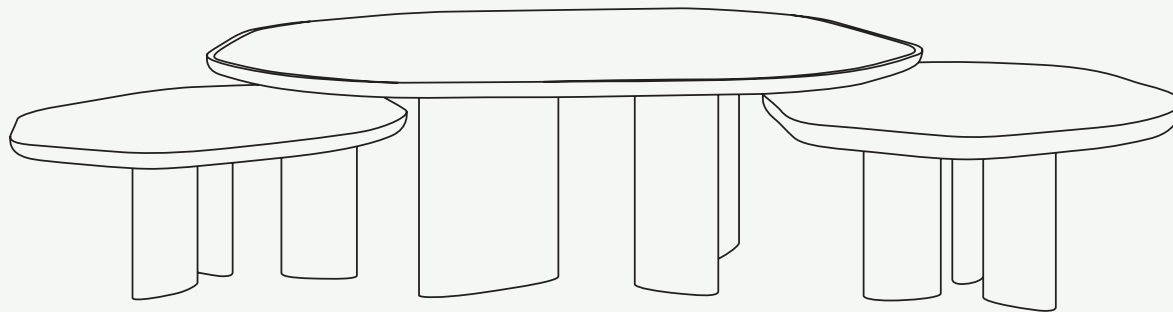

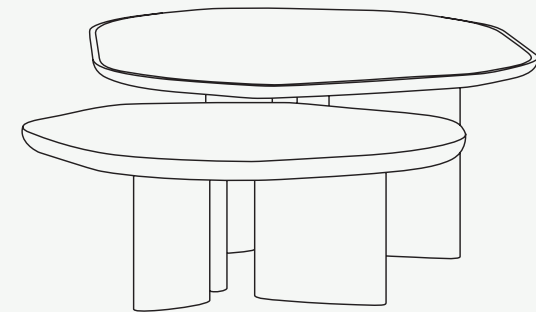

ATY COLLECTION

Aty Coffee Table

In Guarani culture, **Aty** means a space for sharing and connection. Inspired by this spirit, **Aty** emerges—a **coffee table** that celebrates the fusion of natural materials, organic forms, and the balance between tradition and modernity. Its veins and shapes tell the story of the earth, while the complementary tables interact with other elements, creating a sense of unity and harmony in any space.
