Width: 1100 mm · 43.3 "

Height: 355 mm · 14 "

In the Cava coffee table, design doesn't live merely on the surface, but in the depth of what we create. At the center of the table, hidden by a discreet lid, we find the true core of the piece: a built-in ice bucket. A cavity that grants dual functionality to this outdoor table: when closed, a robust surface, when open, a space that preserves freshness and celebrates gathering.
