Height: 774 mm · 30.5"

To assemble

Customizable

Note: For tabletops over 2900mm in Tech Stone, the surface will be produced in two separate sections.

The Tom dining table is inspired by the essence of connection. Derived from Thomas, a timeless and universally recognized name associated with strength, character, and cultural relevance, Tom embraces its simplest and most approachable form. Its clean and elegant lines create a sense of understated sophistication, while its welcoming presence encourages conversation, closeness, and interaction. Tom represents the atmosphere created around it.
