

FLAMA COLLECTION

Flama Fire Pit

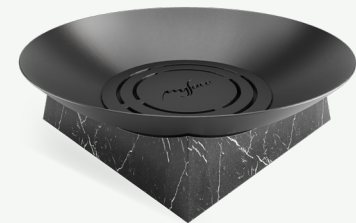

SOURCE OF STRENGTH AND POWER

PRODUCT SHEET

Metallic Structure: Carbon Steel and Refractory Steel

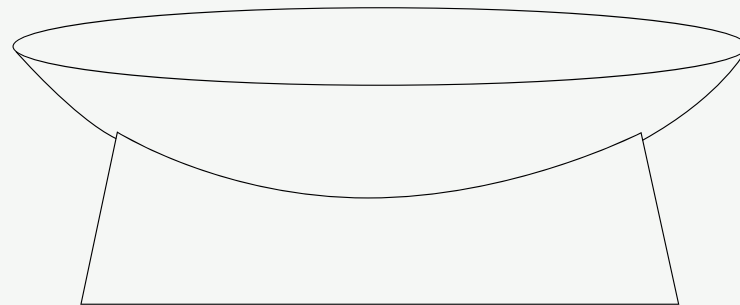

Base: Marble

Flama Fire Pit

Some see fire as a source of strength and power. Others even see it as a form of art. It represents intensity, warmth and passion – everything we treasure in our daily moments. That was the main inspiration for **Flama**, an outdoor fire pit designed with carbon steel, refractory steel and marble.
