KAYA COLLECTION  
Kaya Chaise Longue

The **Kaya chaise longue** was born from the desire to create a personal retreat , a place where the body stretches, breathes, and time naturally slows down. With a solid, textured wooden frame at the heart of its design, and broad lines that follow the body’s movement, it evokes the simplest forms of rest like a hand-shaped shelter in the heart of nature. Whether on its own or paired with a side table, **Kaya** invites a return to the essential: noble materials in their purest form, and comfort as its defining presence.
