KAYA COLLECTION
Kaya One-Seater Sofa

The **Kaya one-seater sofa** was born from the desire to create a personal refuge, a place where the body rests and time gently slows down. With a solid, textured wooden frame at its core, and generous, embracing lines, it recalls the most primal resting platforms — like a shelter shaped by hand in the heart of nature. Whether standing alone or paired with a side table or corner element, **Kaya** invites you to return to the essential: noble materials in their purest form, and comfort as the central presence.
